

FOOTHILLS | LAKE VIEW TERRACE COMMUNITY ACCOMPLISHMENTS

Increasing Public Safety

- In April 2023, we broke ground on the \$2,995,440 Northeast Valley Traffic and Mobility Improvement project. These transportation projects throughout the district address safety and mobility issues and concerns. The project consists of six Pedestrian Hybrid beacons, a New Full Traffic Signal, a Left turn phasing signal, and ten-speed feedback signs. The project is expected to be completed in November 2023.
- Completed safety improvements at the intersection of Osborne Street and Garrick Avenue. These improvements include two new stop signs, new striping and reflective bollards to simplify traffic flow and added traffic signs for large vehicles and equestrian riders.
- Worked with LADOT and installed left turn phasing at Valmont St and Foothill Blvd.
- Completed new pedestrian beacon signals on Wyngate and Foothill.
- Finished Emergency Hybrid Signal at Fire Station 74 (Foothill Blvd/Machrea).
- Installed Speed feedback signs (SFS) at the following locations:
 - Facing eastbound traffic on Foothill Blvd, approximately 40 feet west of the centerline of Whitegate Avenue in Sunland-Tujunga
 - Facing westbound traffic on Foothill Blvd, approximately 100 feet west of the centerline of Machrea St. in Sunland-Tujunga
 - Facing eastbound traffic on Foothill Blvd, approximately 610 feet east of the centerline of Tujunga Canyon Blvd in Sunland-Tujunga
 - Facing westbound traffic on Foothill Blvd, approximately 90 feet west of the centerline of Creemore Drive in Sunland-Tujunga
 - 2 SFS on either side of the big curve on Wentworth
- Installed 15 “No Parking” signs on Oro Vista between Riverwood Ranch and Big Tujunga Canyon. Riverwood residents have complained that families park on Oro Vista and use the Wash for recreational use.

Building Community

- Convened the LAFD, LAPD, LADOT, Recreation and Parks, Animal Services, US Forest Services and Emergency Management Department to coordinate safety drills and update emergency evacuation plans across our district and the San Fernando Valley.
- Hosted four community Clean-ups from Lakeview Terrace to Sunland Tujunga. We had over 40 - 50 community members attend the cleanups.
- Hosted the first Blessing of the Animals at Orcas Park in Lakeview Terrace, with over 400 people in attendance throughout the day. Community organizations provided free resources, and Animals Services hosted pet registration and pet Adoption.

Delivering Resources to the San Fernando Valley

- Opened the new Lopez Canyon Trailhead, a \$376,000 investment that consists of a horse staging area and a 1.5-mile two-way trail, approximately 4.1 acres of land offering a picnic area, parking for vehicles, and horse trailers, a water station for horses, and a bioswale system.
- Broke ground on a Green Space Project. Located at the intersection of Paxton and Lopez Canyon Rd. in Lakeview Terrace. A \$1M project will get a total park upgrade, including new lights, a dog park, a playground, drought-tolerant and fire-resistant landscaping. This will also be the district's first and only dog park.
- Improved the La Tuna Canyon Trailhead by pushing back the gate 600 feet, adding new k-rails, and providing an additional 25 parking spaces along the firelane. This parking enhancement improvement will allow vehicles to park away from La Tuna Canyon Road, which resolves a longstanding community concern.
- Trimmed/cut or removed over 300 trees throughout the Sunland-Tujunga community.
- Completed or Committed Street Slurry resurfacing on the following Streets:
 - Cerro Vista Dr from dead end to La Reina Drive
 - Creemore Drive from Foothill Blvd to D/E Poli Avenue
 - Creemore Lane from Creemore Drive to D/E
 - Day Street (Betty Lou LN to Mt. Gleason Avenue)
 - Greeley St (Haines Canyon Avenue to Commerce Ave)
 - Hillhaven Avenue (Apperson St to Valmont Street)
 - Lowell Avenue (Santa Carlotta St to Foothill Blvd)
 - Memory Dr (Tujunga Canyon Blvd to D/E)
 - Mina Rica Dr (D/E to Poli Ave)
 - Mountain Avenue (Hillrose St to Tujunga Canyon Blvd)
 - Prager Avenue (Gager St/Terra Bella St)

Addressing Homelessness

- Celebrated the grand opening of HillHaven Homeless Supporting Housing, a 34-unit multi-family property that converted into permanent supportive housing for people experiencing homelessness.
- Celebrated the grand Opening of Summit View Apartments, a 49-unit permanent supportive housing complex to provide housing to homeless and chronically homeless veterans.
